Any liabilities in excess of \$100,000,000.00 require pricing approval from Chicago Title Insurance Company.

### Simultaneous Issue of Owner's and Loan Policies

When an owner's policy and loan policy are simultaneously issued, the premium rate for the owner's policy shall be the original premium rate for an owner's policy and the rate for the loan coverage shall be \$100.00 for the amount of mortgage coverage not in excess of the owner's policy. The premium on the amount of the mortgage coverage exceeding the owner's policy is calculated at the regular original premium rates in the applicable brackets. The owner's policy shall be issued for the full value of the property.

### Simultaneous Issue of Owner's and Leasehold Policies

When an owner's policy and leasehold owner's policy are simultaneously issued, the original owner's premium rate shall apply to the policy in the larger amount and the premium on the policy in the smaller amount shall be calculated at 30% of the original owner's premium rates.

### Reissue Rates

In certain instances reissue rates may apply to commercial transactions. Please contact Chicago Title for approval.

### Endorsements

Endorsements to furnish additional coverage may be issued. Premium charges for such coverage will be determined by Chicago Title Insurance Company commensurate with the risk by the issuance of such endorsement. Please contact CTIC for rates on endorsements. Additionally, if premium bearing endorsements are issued, you must remit your percentage split based on the total premium charged for such endorsements.

### Agent Reporting of Title Policies and Premium

In accordance with the Georgia Department of Insurance instructions, please be advised that you must remit your percentage split based upon the total title insurance premium paid by the consumer. Chicago Title Insurance Company must pay premium tax on the portion retained by the agent, as well as the premium received by CTIC. Penalties may be imposed by the Georgia DOI for inaccurate reporting of premium by agent.

In addition, these published rates are the rates that you are required to charge and on which your remittances must be made in accordance with O.C.G.A. § 33-6-5 (6) (B) (i).
